ATTENTION!

The maximum percentages in the grid below are automatically adjusted as you enter amounts. For example, if you enter a percentage into Traditional Base Pay, then the maximum amount that you may also enter into Roth Base Pay will be adjusted and vice versa. The absolute maximum amount that you may contribute to either Roth or Traditional TSP for each pay type is indicated next to the corresponding text box.

After you submit your traditional and/or Roth elections on myPay, the pay system may further adjust your requested percentage elections. This is due to the elected percentages currently on your pay account, the maximum allowable percentages, and the timing of the processed elections.

All fields are required unless stated otherwise.
